Transforming Customer Experience with Intelligent Business Automation

Persistent is a global solutions company delivering digital business acceleration, enterprise modernization, and digital product engineering for businesses across all industries and geographies. Our partnership with OutSystems, the #1 low-code platform for digital transformation, enables enterprises to launch new products and service lines with a focus on transforming CX and automating business processes with unprecedented speed and agility.

Business Transformation through Design and Innovation

Design Consulting, Design Thinking Workshops

Prototyping, Hackathons, Innovation Days

Technical Roadmap Evaluation and Planning

Rapid App Development

Intelligent Business Automation

Monolithic to Micro Services

Enterprise Digital Experience Platform Setup

Industry-Focused Ready Accelerators and Templates

Offerings

Digital Retail Banking

A digital banking accelerator that is deployable within 3 months.

Healthcare Digital Front Door

A healthcare communications accelerator verification.

Farmer Co-op Engagement Platform

Member digital communications and IoT integration.

Success Stories

A US-based leading life sciences laboratory firm partnered with us to develop a suite of solutions to improve the accuracy of test results and digitize their operations. The solution suite helped them **become 4X more productive**.

Designed a mobile-first integrated product with real-time notifications and a 360-degree view for a leading farmer-owned cooperative firm. Helped them **increase yield and gain insights** on crops and payments.
