Launched one of the most inclusive
Employee Stock Option Plans in the industry

80%

of our employees now have an opportunity to
participate in the Company's success as shareholders.

We acknowledge our employee's hard work and dedication that has been the bedrock of our industry-leading growth and shareholder returns over the past several quarters.

We are pleased to offer our global employees the opportunity to participate in this ESOP, thereby providing them the opportunity to participate in the value created for our shareholders as co-owners in the Company.
