**With focus on mid-market and enterprise clients, becomes one of few providers to achieve AWS Premier Tier Services Partner status**

September 14, 2023

Santa Clara, CA and Pune, India

### **News Summary**

[Persistent Systems](#) (BSE and NSE: PERSISTENT), a global Digital Engineering and Enterprise Modernization leader, today achieved Premier Tier Services Partner status within the Amazon Web Services (AWS) Partner Network (APN), further strengthening its relationship with AWS. Achieving the highest level of APN status demonstrates Persistent's expertise and success in helping clients design, architect, migrate, modernize, and manage their AWS workloads while maximizing their cloud investments.

Reaching AWS Premier Tier Services Partner status is an acknowledgment of Persistent's investments in IP, assets, and accelerators, coupled with extensive domain expertise. These assets help automate the deployment process and accelerate clients' cloud journeys to conform with global compliance frameworks. Persistent's industry-leading cloud practice, coupled with AWS's scalable, flexible, and cost-effective cloud services, empowers the Company to deliver increased value through its comprehensive suite of technology services for mid-market and enterprise clients. Persistent has recently been recognized as a Challenger in the [2023 Gartner® Magic Quadrant™ for Public Cloud IT Transformation Services](#).

Persistent has made significant investments to expand its relationship with AWS, including go-to-market initiatives and training its workforce on AWS capabilities. Persistent has 900+ specialty and practitioner certifications, and has achieved five AWS Competency designations and two AWS Service Delivery designations. In addition, the Company recently joined the AWS Well-Architected Partner Program, which recognizes AWS Partners that implement AWS best practices, measure workload states, and make improvements where required.

**Bhaskar Bose, Vice President of Advanced Engineering, Blast Motion:**

*“Persistent’s advanced access to AWS services and overall depth of AWS capabilities has created a significant advantage for Blast Motion. As we leverage our unique action data that crosses all levels of play and implement new technologies like Generative AI, we are looking for partners like Persistent to provide us with guidance and skills to help navigate future technical challenges. Their experience will enable us to expand our total addressable market and disrupt the sports industry as Blast democratizes access to athletic performance improvement. Congratulations to the Persistent team for reaching this exclusive milestone with AWS.”*

**Nitha Puthran, Senior Vice President – Cloud, Infrastructure and Security, Persistent:**

*“We’re thrilled to achieve AWS Premier Tier Services Partner status following a rigorous evaluation process which demonstrated our wide-ranging investments in innovative AWS solutions. Our Digital Engineering and Enterprise Modernization expertise, deep domain knowledge, and extensive AWS experience uniquely position us ahead of the competition to deliver cutting-edge, tailored cloud solutions. As we further strengthen our relationship with AWS, we continue to enable our mid-market and enterprise clients to capitalize on the full potential of cloud and realize tangible business outcomes.”*
