The offer document for the Offer (in German and a non-binding English translation) with the detailed terms and conditions and other information on the Offer is published amongst other information on the internet at www.galaxy-offer.com.

The Offer will be implemented exclusively on the basis of the applicable provisions of German law, in particular the German Securities Acquisition and Takeover Act (*Wertpapiererwerbs- und Übernahmegesetz - WpÜG*), and certain securities law provisions of the United States of America relating to cross-border takeover offers. The Offer will not be conducted in accordance with the legal requirements of jurisdictions other than the Federal Republic of Germany or the United States of America (as applicable). Accordingly, no notices, filings, approvals or authorizations for the Offer have been filed, caused to be filed or granted outside the Federal Republic of Germany or the United States of America (as applicable). Investors and holders of Nagarro shares cannot rely on being protected by the investor protection laws of any jurisdiction other than the Federal Republic of Germany or the United States of America (as applicable). Subject to the exceptions described in the offer document and, where applicable, any exemptions to be granted by the respective regulatory authorities, no takeover offer will be made, directly or indirectly, in those jurisdictions in which this would constitute a violation of applicable law. This press release may not be released or otherwise distributed in whole or in part, in any jurisdiction in which the Offer would be prohibited by applicable law.

The Bidder reserves the right, to the extent permitted by law, to directly or indirectly acquire additional Nagarro shares outside the Offer on or off the stock exchange, provided that such acquisitions or arrangements to acquire are not made in the United States, will comply with the applicable German statutory provisions, in particular the WpÜG, and the offer price is increased in accordance with the WpÜG, to match any consideration paid outside of the Offer if higher than the offer price. If such acquisitions take place, information on such acquisitions, including the number of Nagarro shares acquired or to be acquired and the consideration paid or agreed, will

be published without undue delay if and to the extent required under the laws of the Federal Republic of Germany, the United States or any other relevant jurisdiction. The Offer relates to shares in a German company admitted to trading, inter alia, on the Frankfurt Stock Exchange and is subject to the disclosure requirements, rules and practices applicable to companies listed in the Federal Republic of Germany, which differ from those of the United States and other jurisdictions in certain material respects. The financial information relating to the Bidder and Nagarro included elsewhere, including in the offer document, are prepared in accordance with provisions applicable in the Federal Republic of Germany and are not prepared in accordance with generally accepted accounting principles in the United States; therefore, it may not be comparable to financial information relating to United States companies or companies from other jurisdictions outside the Federal Republic of Germany. The Offer will be made in the United States pursuant to Section 14(e) of, and Regulation 14E under, the Exchange Act, and on the basis of the so-called Tier II exemption from certain requirements of the Exchange Act, which exemption allows a bidder to comply with certain substantive and procedural rules of the Exchange Act for takeover bids by complying with the law or practice of the domestic legal system and exempts the bidder from complying with certain other rules of the Exchange Act, and otherwise in accordance with the requirements of the laws of the Federal Republic of Germany. Shareholders from the United States should note that Nagarro is not listed on a United States securities exchange, is not subject to the periodic requirements of the Exchange Act and is not required to, and does not, file any reports with the United States Securities and Exchange Commission.

Any contract entered into with the Bidder as a result of the acceptance of the Offer will be governed exclusively by and construed in accordance with the laws of the Federal Republic of Germany. It may be difficult for shareholders from the United States (or from elsewhere outside of Germany) to enforce certain rights and claims arising in connection with the Offer under United States federal securities laws (or other laws they are acquainted with) since the Bidder and Nagarro are located outside the United States (or the jurisdiction where the shareholder resides), and their respective officers and directors reside outside the United States (or the jurisdiction where the shareholder resides). It may not be possible to sue a non-United States company or its officers or directors in a non-United States court for violations of United States securities laws. It also may not be possible to compel a non-United States company or its subsidiaries to submit themselves to a United States court's judgment.
